

4.2M (L)

BALLISTIC 
your RIB for life

BALLISTIC 4.2M *with Yamaha 25-50hp Four Stroke*

The re-designed Ballistic 4.2 has all the benefits from the expert workmanship of the larger Ballistic models, whilst being practical and affordable, with the renowned build quality and outstanding handling that Ballistics are known for – making it the perfect introductory family RIB.

With the Ballistic 4.2 you can hunt for coves and explore harbours, tow water skiers or wakeboarders. An excellent tender for larger sailing boats or motor yachts. Large tubes and a flawless deep 'V' hull give a comfortable, dry ride at low and high speeds. The Ballistic 4.2 is also perfect for sailing clubs and training centres as a support RIB.
