MAINTENANCE

CARING FOR YOUR PRIDE & JOY

WITH OUR EXPERIENCED ENGINEERING TEAM, WE ARE PERFECTLY PLACED TO CARRY OUT ALL REGULAR AND SPECIALIST ENGINEERING TASKS ON YOUR HANSEGROUP YACHT.

HULL ANTIFOULING

Keep your speed up - a knot of speed can easily be lost with the slightest growth. Multiple anti-foul options available including Coppercoat.

POLISHING TOP SIDES & DECK POLISH

Polishing not only keeps your yacht looking like new, it also adds a protective layer to the gel coat, which means less cleaning and more time sailing!

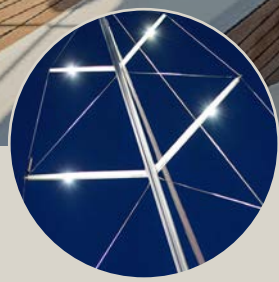

ENGINE ENGINE SERVICING

To ensure the longevity of your engine and maintain the warranty, regular servicing is vital. If you haul out over the winter, consider a winterisation.

Sail Laundry

Your sails will continue to look great ensuring Acidic Pollution, Green Algae, Mildew, Salt or any other possible contaminants that may discolour your sails and affect their life are removed.

Rigging Inspections

If you have been through some excessive weather or merely would like peace of mind then a mast and rigging inspection is highly recommended

Spares & Anode replacement

Take the fuss out of sourcing the correct spares including anodes, we hold records of all spares and stock of all HanseGroup anodes.

Valeting Service

Full interior and exterior valet of your yacht from the bilges to the hatches, an ideal opportunity for a spring clean.

UPGRADES

ELECTRONICS | THRUSTERS | HEATING & AC | GENERATORS | RIG & SAILS

WITH OUR SPECIALLY CHOSEN EQUIPMENT PARTNERS, WE CAN SOURCE THE BEST SYSTEMS AND UPGRADES THAT WILL COMPLEMENT YOUR BOAT

FROM A SIMPLE ELECTRONICS UPGRADE TO A FULL REPLACEMENT OF RIGGING AND SAILS, WE HAVE THE EXPERIENCE AND KNOWLEDGE TO ADVISE YOU OF THE OPTIONS MOST SUITED TO YOUR YACHT.

The Boat Cover Company

REFIT & CUSTOM BUILD

NOTHING IS IMPOSSIBLE
